As the so called "Regelbeitrag" (RG Ü3) is paid for by the community Rust, you find your relevant fee in the column "reduced" depending on family size and hours per day. All fees might be changed by the municipal council.

Please note that meals have to be paid separately.

Please note that in some cases the kindergarten fees might be covered partly or completely by the youth welfare office due to earning capacity.

The Education and Participation Package provides financial support for children and young adults. If you are entitled to the benefits of the Education and Participation Package costs for lunches might be covered.
